Why not come and have a go at Powerboat Racing?

On **Saturday**, boats will be provided; all **you** need to do is complete an RYA Event Licence form (*available on the day*) and you can experience a taste of the thrill of powerboat racing alongside an experienced Racing Driver! Various boats from different classes will be available to try and there will be many racers, old and new, on hand to answer your questions and provide you with contacts and details of how to get started in Offshore Powerboat Racing. You will have a chance to see videos and television footage of this exciting sport as well as an opportunity to experience it first hand! (*Minimum age requirements are 16 with written parental permission*)

On **Sunday**, there will be a basic race for any offshore race or ski boat, subject to the usual AYC criteria laid out below. This is a chance for the National crews to blow away the cobwebs before the start of the season or an opportunity for newcomers to race their own craft and have a go. Non licence holders will be required to purchase an RYA Event Licence (*available on the day*) and undergo a seaworthiness and safety check on their craft.

Up to 2.5 litre (*boats to be commensurate with engine size*)

Over 2.5 litre (*boats must be over 23ft*)

Canopy boats cannot be accommodated

Social arrangements: There will be a BBQ, the bar will be open till late and hot and cold snacks are available, so bring along your family and friends. Shower and changing facilities are available on site. We are hoping to secure a number of Haven Holiday Caravans situated around the Yacht Club at a favourable rate for overnight accommodation but tents and campers are also welcome. The emphasis will be on a **FUN** weekend!
