YACHTING & BOATING

16th June, 1965.

R. Stapley, Esq.,
77, Heath Lane,
Dartford,
Kent.

Dear Mr. Stapley,

As Chairman of Illustrated Newspapers Limited, I now have much pleasure in enclosing the prize which YACHTING & BOATING has contributed to the U.K.O.B.A. Putney-to-Calais Rally. I would like to take this opportunity of sending you and your co-driver, Mr. J. Brumby, the warmest congratulations of Charles Jones, the editor, my other colleagues and myself.

YACHTING & BOATING is glad to be associated with this testing and gruelling event and we hope that the part we have been able to play alongside U.K.O.B.A. has been useful. It is our intention to explore with U.K.O.B.A. ways in which we can continue our association in future years.

Again, our congratulations and good wishes,

Yours sincerely,

G. C. BRUNTON.

deter the smaller horsepower contestant from "having a go" as it should be remembered that the Champion Driver in 1964 drove throughout the season in a boat powered by a 50 h.p. engine. It should also be remembered that it is consistent performance which counts - the Champion Driver in 1965 only won one race, but he was almost invariably well placed in the others.
