

Pascoe Sports RIB SR9

This Pascoe SR9 Diesel Sports RIB exudes class, style & performance & offers an impressive and exhilarating ride with a top speed of 60 mph. The Ocke Mannefelt designed hull was originally built in 2004 & is powered by a Yanmar 315 HP Diesel engine that was new in 2008. She had a new Bravo One Gimble & Transshield (fitted end of 2011 only seen water a couple of time recently) and comes with a 28 inch S/S Bravo One Prop. Other impressive features include duel foot & hand throttles, s/s marine machine steering & rally seating. This Pascoe SR9 is the European spec, so whilst she is designed for speed and racing, she has a layout and features that make her suitable as a fast leisure RIB. She is lying in Farnborough and is available for viewings.

Pascoe Sports RIB SR9

This Pascoe SR9 Sports RIB is in good condition and has been constantly maintained and upgraded by her one owner from new. Pascoe RIBs are regarded as some of the finest RIBs in the world and this SR9 does not disappoint. With her 315 HP Yanmar Diesel engine combined with the amazing Ocke Mannefelt hull, this RIB will fly across the open water at 65 mph whilst giving a firm & stable ride & benefiting from the economy of the diesel. Make no mistake, this boat has been designed with speed in mind and features dual foot & hand throttles and racing rally seats for the helmsman & navigator. However, she also has a layout that works equally as a leisure RIB with total seating for 8 passengers, synthetic teak decking and a large foredeck that can be used for sunbathing. Therefore, if you are looking for a RIB that can give you the exhilaration and adrenalin rush of a racer but can also double as a comfortable, economical family day boat, then this SR9 is the RIB for you. This Pascoe SR9 with its sleek & stylish two tone tubes, white console and navy blue seating looks stunning and will turn heads wherever you go whilst outperforming most other craft on the water. In a review in RIB Magazine, the SR9 was quoted as 'If you are contemplating becoming an owner of SR9, then you have the prospect of possessing one of the most desirable sporting designs afloat today'. This particular RIB is ready to go & even comes complete with twin axle braked trailer. Pascoe RIB's build boats as tenders & toys for some of the world's finest super yachts.
