

Proposed Southampton Deauville Race

Entrant: _____

Boat Length: _____

I give notice that I/we intend to enter the Southampton – Deauville Offshore Powerboat Race to be held on the 30th May 2009. I enclose my reservation fee of £50.

I understand this fee will be fully refunded if the event does not get initiated due to low entry numbers or a rejection of the plans by any authorities, or other similar events.

The fee will not be refunded if the event proceeds and I do not enter.

I understand that the race course is in excess of 115 miles and is an OFFSHORE event, and I believe my boat is capable of participating in the event.
