

The well laid out cockpit area provides good all-round vision when seated in the padded helmsman and pilot seats. To minimise the glare from the water most boats are fitted with a darkened wrap around windscreen. There is additional seating for visitors in the cockpit, with a further area for sunning or relaxing after swimming on the rear cushioned sun-deck.

A luxuriously appointed, high performance offshore cruiser. Designed with speed and comfort in mind. Ideal for fun weekends, whether water-skiing is your pleasure or even just for pure enjoyment in attractive surroundings. Everything you need for the perfect get-away-from-it-all break can be found in your Falcon Royale, the complete home afloat.

If sleeping on board, the dining table converts into a comfortable double berth. A compact shower and toilet complete the standard facilities, all of which are finished to a high quality, featuring a wide use of teak and stainless steel, together with rich carpeting and durable vinyl seating, all in modern colourful designs and stylish patterns.

Falcon Royale

With proven racing performance.

The Bonito Falcon Royale came second in the World Championships in 1980 and continues to perform well in championship events.
