

Congratulations to all our customers who have enjoyed success racing their Marshan Sportsboats in 1986. Especially Barrie & Sheena Williams who have won the O.C.R. Class 'E' championship for three consecutive years in the same Marshan 162. It was then taken to Windermere by Les Salvidge who raised the speed record to 69.56 m.p.h. with a standard 115 Mercury. Bob Baker won the UKOBA O.C.R. Championship and Nick Keyser won the UKOBA 1.3 LT Class Championship.

MARSHAN AGAIN PROVED FASTEST IN THEIR CLASS

Congratulations also to the Ski racers who used Marshan Boats to win their Class. Jonathon Twigg (Juniors) and Dean Lefevre (Formula 3). They proved to be the best skiers in their class.

MARSHAN – spacious family sportsboats built to last & retain their value. Order early to avoid disappointment as a maximum of 40 carefully built Marshans will be constructed in 1987.
